Part Four

79 & 81 My name is Tim. I live in Nottingham, which is a city in the UK. I live in a small detached house with my wife Jenny, and our two children, Lisa and James. I work at Debenhams in Nottingham, and I really enjoy my job. I am a sales manager for the sports clothing department. Debenhams is the largest department store in Nottingham and there are branches all over the UK.

When I'm not at work I like to play tennis with my friend Joe. He is much better than me, but I still enjoy it. At the weekends I sometimes take my family to Manchester to visit Jenny's mum. She lives at Pine View Nursing Home in a nice suburb of the city and has been there for about five years. She loves to see her grandchildren. James always tells her about what he is doing at school. James and Lisa both go to the same school, Mount Street Junior School.

80 & 82 Hello, I'm Jenny, Tim's wife. We have been married for almost eleven years. I met Tim when we were both at university. I studied Physics while Tim studied Business Management. We graduated from Cardiff University in 1989, and went to live in Birmingham. We got married in 1993 at Lincoln Cathedral. I took a one-year post-graduate teaching course, then got a job teaching Science at Lincoln High School.

We moved to Nottingham in 1996 where Lisa was born. I remember that she was a very fat baby, but a happy one! My mum helped us with looking after the baby in the first year, before she had to go into the nursing home in Manchester. She wanted to move to a home in Manchester because that is where my two older sisters and their

families live. We go to visit often - when I can get Tim to drive us up there! I don't drive. I took some lessons when I was a student in Cardiff but I found driving on the roads quite frightening and gave up! Perhaps one day I will try again.

About two years after we had Lisa, James was born. He was born at St. Patrick's hospital in Nottingham. It seems like it was only last week. I can't believe he's already at school.
